

**{Date}**

To: **{Name}**  
**{Address}**  
**{City, State, Zip}**

Dear **{Recipient}**,

This letter is to notify you that **{Name}** is not contagious and should be permitted to continue attending **{work/school}** without fear of endangering **{his/her}** peers.

**{Name}**'s symptoms, though they may be confused for **{infectious illness}**, do not pose a threat to others. There is no need to quarantine or limit **{Name}**'s interactions and contact with others based on **{symptoms}**.

If you have any further questions, please contact my office at **{information}**.

Thank you,

**{Doctor}**
